Alma Mater

So here's to dear ole Elon,
Faithful and bold;
Here's to her banners of maroon and gold;
Here's to men and women
Who've come and gone,
Singing the victor's song of ole Elon!

Volume One Hundred Forty Nine

Days Never To

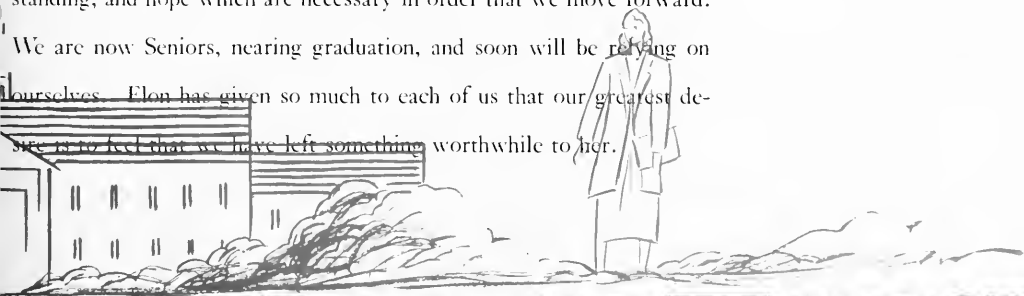

Be Forgotten

FOUR REWARDING ELON YEARS

It seems only a short period of time since we, as Freshmen, entered one of the four gates leading into the campus of Elon College, where we would spend four rewarding years. These four years were likely to affect our lives more than any other period through which we shall ever pass. Searching for the place which we were to call home, our steps led us through the ivy-covered colonnades and long corridors, where we paused for a moment to think of those who had come before and those who would follow. First, there was Freshman Orientation, followed by the faculty reception, the Sophomore-Freshman conferences with the Dean, football games, bull sessions, initiating the

Freshmen, the Junior-Senior Banquet, strolls to Senior Oak, receiving our class rings—all of these being only a small portion of our precious moments and memories which we shall carry with us. A few of these reminders you will find in this edition of the PITHSICLE. Around our College, our administration, our faculty, and our fellow students, we have built dreams, and from them we have gained the confidence, understanding, and hope which are necessary in order that we move forward. We are now Seniors, nearing graduation, and soon will be relying on ourselves. Elon has given so much to each of us that our greatest desire is to feel that we have left something worthwhile to her.

DEDICATION

IN HONOR OF THAD EURE

A native North Carolinian, educated in the public schools of North Carolina and at the University. A graduate of the University and of the University Law School. An attorney and a leader in fraternal organizations and civic affairs. A member of the General Assembly of North Carolina and Clerk of the House of Representatives, elected Secretary of State, 1936, which office he has held with distinction at the popular will of the people and holds it until this day. Mr. Eure is an efficient, capable, willing, and diligent public servant. He is a churchman, a member of the Board of Trustees of Elon College, the organizer and founder of the Elon College Foundation which represents a decisive step forward for our college. In many ways he has served and advanced the interest of Elon College, our Alma Mater.

The Class of 1949 feels that it is fitting and takes great pleasure in dedicating our 1949 PIPSICLI, our college annual, to his honor and hereby expresses confidence in his continued advancement in the interest of our college, of our state, and of our nation.

" Mental Meddlers "

Please see me after class — No class tomorrow — Too
many cuts in my Saturday classes — Test Monday
morning — Absence reports dated 11-10-23.
Faculty, you're swell!!!

LEON EDGAR SMITH

OUR PRESIDENT

GREETING

The Class of 1949:

I salute the largest senior class in the history of Elon College. You were not the largest freshman class to enter Elon College, but you have displayed a type of determination and scholarship that have brought a larger number of your members to the point of graduation. You are to be congratulated. May the same spirit of determination and thoroughness characterize your post-graduate years whether they be in the classroom for further study or in the field of practical endeavor for business achievements or professional service.

You not only have my admiration and personal regard, but my earnest prayers for a successful and happy life.

L. E. SMITH
President.

DEANS

To The Class of 1949:

To all Elon women, and especially to the dignified senior women, I give my very special blessing as their Dean and as their friend. Your Elon days have been my delight as well as my deep responsibility.

CHRISTINA HARDY,
Dean of Women

To The Seniors!

Wrap it up and take it home—it's paid for, signed sealed and delivered. Now it's yours to enjoy! What? Four years of education, of course! But that's too simple; education is not a commodity to be sold across the counter, nor an era to be measured in years. Four college years become part of one's self, ingrained in one's personality, in one's attitudes; they are four vital growing years of one's life. Elon is in your blood; may you always be proud of her and she of you. God bless you all!

D. J. BOWDEN
Dean of the College.

Faculty

First row, left to right:

JOHN WILLIS BARNEY, *Professor of English*; A.B., Elon College; Graduate Work, Columbia University, University of Virginia, University of North Carolina.

NED FAUCETTE BRANNOCK, *Chairman of Department of Natural Sciences; Professor of Chemistry*; A.B., M.A., Elon College; M.S., Columbia University; Litt.D., Defiance College; additional Graduate Work, Johns Hopkins University, University of North Carolina.

WHO'S WHO

AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES

THIS HONOR, given to Seniors and Juniors, is the highest goal which students may attain in college. It is awarded on the basis of scholarship, leadership in extra-curricular activities, and qualities that portend success and usefulness in the years after college days are over. These students are chosen by ballot among faculty members and students. The members of the Elon Student Body who were so recognized this year will have their biographies appear in the 1948-49 edition of the *Who's Who Among Students In American Universities and Colleges Year-book*. The students who attained this honor are as follows:

Verona Danieley
James Hailey
Dalton Harper
Mildred Johnson
Donald Kernodle
Jeanne Meredith

Edwin Nash
George T. Parker
Bill Stafford
Baxter Twiddy
James Widenhouse

THE STUDENT CONGRESS

Now we have a Legislature! The Student Congress is the legislative body of the Student Government Association. Its members are representatives, duly elected by their respective classes or dormitories, and its officers are elected by the entire Student Body. Standing sub-committees are concerned with Student Morale, Dormitory Life, Social Activities, Placement, Guidance, etc.

PSI CLI

THE STUDENT COUNCILS

These bodies, one for men and one for women, exercise the judicial and executive powers of Student Government. To them is assigned the thankless job of meting out justice and mercy to those who violate regulations.

AND NOW IT'S YOURS—The staff spent two months guarding the "dummy" and making an effort to turn it into a faint resemblance of a yearbook, which would be known as the 1949 *PHI PSI CLI*. First came the week of taking portraits, then the group pictures, collecting material for the copy, and all of the many things necessary to produce a yearbook.

This is your yearbook and we present it to you with the desire that you, in the coming years, may glance through it—recapturing memories and feeling that the 1949 edition of the *PHI PSI CLI* has carried you back, if only for a little while, to your days at Elon.

PHI PSI CLI of ELON

TED PARKER, *Editor*

EVELYN MOORE, *Business Manager*

Nineteen Hundred and Forty Nine M

Every couple of weeks, barring holidays, fire, flood, or famine, a loose bundle of unfolded copies of *Maroon and Gold* is dumped on a chair in the rotunda of Alamance Building.

There are only four pages to the issue; still, roughly 225 to 250 man-hours have gone into its production.

By the fantastic absurdity of arithmetic, the time spent on an issue of the paper would represent about 11 hours for each person working on it. In actual practice, it amounts to Editor Ted Parker's working about 30 hours, the linotype operator about 25, and so on down the line until you start totaling the moments spent by curious passers-by in glancing through the windows to see where all the noise is coming from.

It's hard to take inventory of the sources of noise and frustration. It could be Womble screaming like a wild Indian over his one-hundredth off-set.

It could be big Theodore stalking in and out among the craters in the floor, waving a sheaf of illegible copy, calling down curses upon illiterates and folks who can't tell time.

It could be the gals chattering over their paper-folding, gossiping endlessly—until they're asked for a story lead.

Or maybe it's the nearly hysterical laughter that swells in everybody's throat about 4 o'clock in the morning, when sheer fatigue makes everything funny.

But total the fingers mashed on the press, the bloodshot eyes, the dry-cleaning bills, the exhaustion, the helpless laughter, big Theodore's magnificent curses, unexcused cuts—and you have Friday's wilted little bundle of *Maroon and Gold*.

The issue may be a mess. But, on the other hand, it may be a pretty good looking paper.

THE CHOIR

The College Choir, under the direction of John Westmoreland with Fletcher Moore at the organ, is one of the most active college organizations. In addition to its basic function of furnishing music for Sunday church services and week-day chapel, it presents performances of three major oratorios each year, one of these being the annual Christmas rendition of Handel's "The Messiah."

The choir also has a radio program every Sunday from 2:00 to 2:30 P.M. over WBBB, Burlington, and affiliated stations.

Other high points in choir activity are off-campus performances, ranging from appearances by soloists and ensembles at various functions all over the state to an ambitious spring tour which has taken the choir as far north as New England.

The choir is composed of both music students and any members of the college student body who enjoy choral music.

OFFICERS

WAYNE MOORE *President*
 BAXTER TWIDDY *Vice-President*
 FRED SAHLMANN *Secretary-Treasurer*

ELON PLAYERS

CAN YOU ACT?! This question is brought before every student in his freshman year at Elon. The Elon Players is one of the first organizations on the campus to attract the attention of new students interested in dramatics.

Under the leadership of Mrs. L. E. Smith, Jr., the Elon Players has experienced one of its most prosperous and successful years. The five plays presented during the year were as follows: "What A Life," "Gaslight," "You Can't Take It With You," "The Betrayal," and "Arsenic and Old Lace."

PURPOSE: To Be Of STUDENT CHRISTIAN ASSOCIATION

Need five bucks? You can borrow it—no questions asked—from the Student Christian Association Student Loan Fund.

Did you enjoy the fun and frolic at the Halloween Party? Of course you did.

These go to show that the Student Christian Association, although “mother” of such important programs as Vespers and Morning Watch, believes that Christianity must also move and function outside the cloistered walls of formal worship.

Service To Others

Most of the S.C.A. work is carried on by a small "Cabinet" of students and faculty advisers. The larger Student Christian Association is not called on for much of the actual business details. Each member, however, is challenged to try to live with the following purposes in mind:

1. To unite in the desire to realize full and creative life through a growing knowledge of God.
2. To have a part in making this life possible for all people.
3. To seek to understand Jesus and to follow Him.

HOUSEHOLD ARTS

The Household Arts Club is devoted to satisfying the needs of Home Economics majors and all other girls interested in this type of activity. Projects in the correct manner of serving, correct dress, changing styles, preparing menus, and other topics of interest are carried out. (Delegates are sent to the State College clubs workshop in the fall and spring of each year.)

OFFICERS

ELIZABETH E. RAINES.....*President*
 LUCY A. EVERETTE.....*Vice-President*
 MARY G. BUTLER.....*Secretary-Treasurer*
 DR. ELLEN A. REYNOLDS.....*Faculty Adviser*

FINE ARTS

The Fine Arts Club at Elon seems to be increasing each year. Students, possessing no gift for painting whatever, can take an art course under Miss Lila Newman and turn out a beautiful work. They are instructed in China Painting, Oils, Water Colors, Pastels, Charcoals, Still Life Drawings and Originals.

It is well known by all that Fine Arts holds an important place in the curriculum at Elon!

COLONNADES

Colonnades is the campus magazine, written by students and faculty, and published by the college press. Believing in art, not artiness; in warmth and sincerity, not pretense, the staff tries to produce an organ with both cultural and human appeal. The magazine appears once a year, usually in April.

SCIENCE CLUB

The Science Club is composed not only of members majoring in biology, chemistry and physics, but also of those persons interested in the field of science. The only required qualification for membership is "Interest."

The main purpose of the Club is to stimulate interest of the members in phases of science other than their major. This is done by lectures, discussions, demonstrations and movies. These have proven to be very interesting as well as informative.

We appreciate the time and interest given us by our adviser, Professor Reddish. His vast knowledge in the field of biology, chemistry and physics has been invaluable as well as inspiring.

INTERNATIONAL RELATIONS CLUB

International relations are important to every individual and should come more into the thinking of the college student. With this in mind, the International Relations Club throughout the year brings to the attention of the students and to the club members the many areas of world-wide happenings and thought.

During the year, speakers of note have been brought to the campus to enlarge the knowledge of the students in this field. Several new methods of informing the students were introduced. Among them could be included the noon-time music and news program and the various displays. At the height of the presidential campaign, a poll was taken by the club to see how the college would vote in the elections. After-meeting bull sessions, conferences, panels and refreshments in the international flavor add to the interest in the club. Regular meetings are held in the IRC Room located in the Library Building.

MUSIC AT ELON

MAJORETTES

Virginia Davis
Celia Edwards
Frances Ferguson
Joy Jean Ray
Virginia Rebick
Phyllis Tucker

Elon Singers under
direction of Robert
Shaw

We hear music! . . . Yes, at Elon this is not unusual. Perhaps it is coming from the huge organ in Whitley, or one of the grande pianos, a practice room, choir rehearsal, or the broadcast over WBBB on Sunday at 2:00. But again, it may be a mellow tone sounding from a trumpet or a brassy note from a French Horn at band rehearsal on Wednesday evening.

Surely you have noticed as we take our seats at the football stadium, waiting for an exciting game to get underway, how our thoughts and conversations are interrupted as we see, marching down the field, the Elon band beautifully arrayed in Maroon and Gold. The members take their formation and everyone proudly stands to join in our college song, "So Here's to Dear Ole' Elon."

Whenever you feel the need for a lift and desire to hear the strains of music, just "perk up" your ears—somewhere on our campus you will hear music.

COMMERCIAL CLUB

The purposes of this Club are several: to bring before the Club speakers prominent in the world, industrial and academic; to afford a means of pleasant fraternization on the Campus, to bring together all the students who are studying for a degree or for a clerical certificate in the Department of Business Administration; and to make certain direct investigations and field trips into business.

PAN-HELLENIC COUNCIL

THE PAN-HELLENIC COUNCIL is comprised of a representative from each of the sororities and fraternities. Problems are brought before the group and discussed and plans and suggestions are carried back to the social organizations by these representatives. It is the responsibility of this council to see that harmony exists between the individual clubs and that they are united in their actions.

BILL BARGER, *Back*

COACH MALLORY

Elon Christians in Action

Elon's Squad

THE FOOTBALL SEASON

Elon journeyed to Davidson to open their 1948 football season, and once again the Southern Conference foes, proving too big and deep in reserve strength, handed the outclassed Fighting Christians a 25-0 thumping. The onesided tilt, which spoiled Coach Mallory's inaugural, showed the inexperienced and comparatively new Fighting Christians to be woefully lacking in blocking. But the performance of a number of freshmen, of which Tailback Jack Spivey, and Linemen Rolly Ellis and Dick Buchanan were the outstanding, was very heartening.

Elon defeated Atlantic Christian for the third straight season the following week with a 13-7 victory in their initial home tilt. Frank Tingley, a highly-regarded freshman wingback, scored one of the touchdowns on a 10-yard jaunt around end, and veteran Pete Marshburn tallied the other on a short plunge following a sustained drive. Offensive stand-outs in the backfield were Tingley, Spivey, Dave McClenny, and Bobby Harris, while line stalwarts were Sal Gero and Arnold Melvin.

Next week at Boone, the Fighting Christians battled on even terms with a great Appalachian eleven for a 7-7 first half before the Mountaineers cut loose in the third period with four scores to turn the game into a rout and go on to win 33-13. Elon suffered a serious blow when Spivey, number one offensive threat of the Fighting Christians, was injured in the initial period and retired from further action. Fred Claytor, who paced the Christian attack, plunged over for one touchdown, and a punt, blocked by Melvin, was recovered by Zurlis for the other tally. End Claude Gentry, making his first appearance of the season, paced the line performers along with Melvin, Zurlis, and Gero, while the backfield stars were Claytor, Marshburn, and Spivey.

The Fighting Christians found the unorthodox attack displayed by the Pirates of E.C.T.C. hard to solve, but, nevertheless, Lou Savini climaxed a successful second period drive with an eight-yard touchdown plunge to give Elon a well-earned 6-0 victory. Scoring opportunities were frequent for Coach Mallory's crew, but a sadly lacking scoring punch held the victors to a lone tally. Gero, Co-Capt. Claude Manzi and End Len Greenwood starred up front for the Fighting Christians. Savini, Barger and Tingley were the backfield stars offensively, while Bill Cook and Marshburn shone on the defense.

A highly favored Newberry Indian eleven defeated Elon 20-7 in the Palmetto State the following week. The Fighting Christians drew first blood with a tally in the initial quarter when Gentry pounced on a loose ball, the result of a blocked punt by Gero. McClenny kicked the extra point. Elon's poor pass defense was mainly responsible for the Indian's victory, for their passing was directly or indirectly responsible for all three scores. Mike Kozakewich turned in a fine game at end along with Claude Gentry, while Barger, McClenny, Tingley and Hal Johnson were the backfield stars of this tilt.

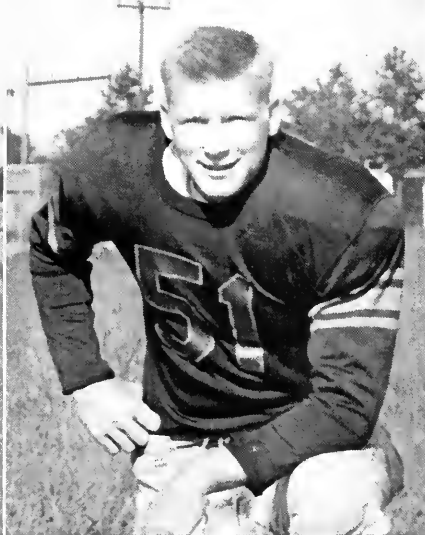

Catawba College, still one of the best of the country's small colleges, continued the mastery over the Fighting Christians with an overwhelming 35-0 victory October 23. The Indians, spearheaded by a number of fast, seasoned backs and a fine line, were too much for Coach Mallory's young club. Lou Savini and Bill Barger tried to get the Christians into the scoring column, but their valiant efforts were in vain.

The Fighting Christians went on their greatest scoring spree in three years of post-war football to rout the Newport News Apprentice School 37-12. Speed merchant Frank Tingley, playing by far his best game of the campaign, paced

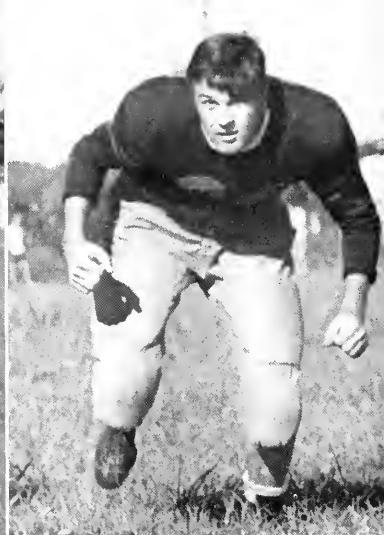

Claytor

Fingley

Drew

the devastating attack with three touchdowns, while Bill Barger, Fred Claytor and Bobby Harris chipped in with one score apiece. Joe Erickson, who was ineligible all season for conference competition, directed the smooth functioning Christian eleven. His great blocking proved a prime factor in the victory and the success of the team.

Entertaining a smooth Lenoir-Rhyne aggregation, Flon closed its home season on the short end of a 13-0 score the following weekend. With spirits considerably lifted as a result of the Newport News victory, the Fighting Christians played a classy brand of ball worthy of victory, but, once again, failure to muster any scoring punch was the disheartening excuse. C. K. Siler's booming punts kept the Bears in their own territory for the better part of the tilt, but a mistake in the opening minutes and a pass interception in the dying minutes paved the way for Lenoir Rhyne's two scores. Sal Gero, Arnold Melvin, and Claude Gentry once again paced a fine defensive line.

Hardly indicative of Flon's fine play was the 12-12 tie score against High Point on Nov. 18. The Fighting Christians, who appeared to be becoming more powerful and familiar with the Mallory-installed single wing, deserved a better fate against the favored Panthers. C. K. Siler scored first for Flon when he recovered a fumble by Billy Cook who had taken a lateral from Billy Johnson, who, in turn, had snagged a pass from Lou Savini within the five-yard stripe. Later, Savini and Spivey collaborated to turn in the best play of the day. With Savini fading to his own ten, Spivey outraced the Panther secondary and caught an over-the-shoulder pass on the 45 and outran the safety man to pay dirt. Savini, Spivey, and Siler were the offensive stars for Flon while Melvin, Gentry, Fingley, Barger and Cook starred defensively.

Flon dropped the curtain on their 1948 football season with a 12-0 victory over Guilford. The Turkey Day classic was all-Flon as the Fighting Christians, led by Claude Gentry, displayed the greatest defensive performance of the entire campaign. Claytor plunged over from the two to climax a lengthy drive in the initial stanza, and Bobby Harris, a great

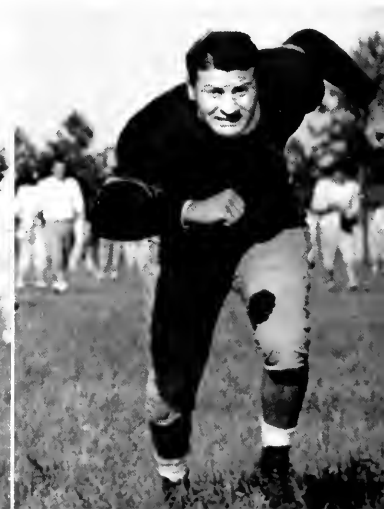

Perry

Kozakewich

Savini

Gentry

Melvin

Zurlis

runner in his last performance for Lion, provided the other tally with a beautiful 19 yard run in the final canto. Standouts on a great defensive line along with Gentry were Bill Johnson, Melvin, Manzi, Zurlis, and Gero. Harris, Claytor, Zurlis, Kozakewich and McClenny all turned in creditable performances in closing out their football careers at Lion.

The Christians, who finished up with a 4-5-1 record, fared far better than the records indicate. Arnold Melvin, 230-pound tackle, was selected to the *Daily News* All-Conference team and to the Small Southern College second team, Sal Gero, bruising 225 pound freshman tackle, was mentioned for nomination to Tom Harmon's Little All-American and Claude Gentry was named most valuable player by his teammates.

INTRAMURAL SPORTS

GIRLS

The biggest event of the girls program was participating in and winning top honors in a Basketball Play Day held at Guilford College, February 19. The Elonities who played were Betty Cobb, Martha Beers, Jean Harris, Evelyn McNeill, Mildred Johnson, Jean Thompson, Marjorie Brinkley, Lou Tuck, and Betty Truitt. The basketball team defeated Lenoir Rhyne, Guilford, Pfeiffer, and Greensboro College.

SPORTS

Earlier in the season, Jeanne Pittman, Jane Rust, Shirley Boney, Sophie White, Rosamond Bromley, Lacala Wilkins, Evelyn McNeill, Sue Edwards, and Jean Harris played volleyball at Guilford College and Elon was defeated.

Tennis, bowling, softball, and soccer are also included in the intramural program for girls.

Will we...

...keep our place in the world?

UNITED STATES OF AMERICA—first among nations in national income! First in production of wheat, corn, cotton, petroleum, coal, and iron! First in communications, in motor vehicles per capita—first in many essentials to good living and prosperity.

And directly related to that position of leadership is our standard of education—for it has been shown that a country's wealth and welfare rise along with its educational standards. And countries rich in natural resources *can be poor and backward* without the benefits of education.

Yes, the United States is a leader in the field of education too—but *for how long?* Appalling conditions prevail today in many of our schools. Many of our most brilliant teachers are working against

odds—crowded classrooms, shortages of equipment and textbooks, long hours. . . . *Thousands* have left the profession for other work.

You, and every United States citizen, will suffer from this situation, because it cannot help affecting our national prosperity before long.

WHAT TO DO?

Today—make it your business to take these two steps: 1. Check up on educational conditions in your local schools; 2. Back up and work with organizations seeking to improve teachers' working and living conditions. For only by *keeping* our educational standards high can we hold our place in the world—and assure a prosperous future for our children.
